The Book of Mormon (Dutch translation)

A complete authoritative book on the life of Prophet Muhammad (S) by Sheikh Safi-ur-Rahman al-Mubarkpuri. It was honored by the World Muslim League as first prize winner book. Whoever wants to know the whole life style of the Prophet in detail must read this book.Muhammad (S) is the Messenger of Allah, and those who are with him, are severe against the disbelievers, and merciful among themselves. You see them bowing and falling down prostrate (in prayer), seeking bounty from Allah and (His) Good Pleasure. The mark of them (i.e. of their Faith) is on their faces (fore heads) from the traces of prostration (during prayers). This is their description in the Taurdt (Torah). But their description in the Injeel (Gospel) is like a (sown) seed which sends forth its shoot, then makes it strong, and becomes thick and it stands straight on its stem, delighting the sowers, that He may enrage the disbelievers with them. Allah has promised those among them who believe and do righteous good deeds, forgiveness and a mighty reward (Paradise). (Al-Fatih: 29)The Prophet Muhammad (S) said: "The example of guidance and knowledge with which Allah has sent me is like abundant rain falling on the earth. Some of which was fertile soil that absorbed rain-water and brought forth vegetation and grass in abundance. (And) another portion of it was hard and held the rain-water and Allah benefited the people with it and they utilized it for drinking, (making their animals drink from it) and to irrigate the land for cultivation. (And) a portion of it was barren which could neither hold the water nor bring forth vegetation (then that land gave no benefits). The first is the example of the person who comprehends Allah's Religion (Islam) and gets benefit (from the knowledge) which Allah (Azawajal) has revealed through me (the Prophet) and learns and then teaches it to others. The (last example is that of a) person who does not care for it and does not take Allah's Guidance revealed through me (he is like that barren land)." (Al-Mukarramah)

Historisch overzicht van de verbreiding van de islam in de zevende en achtste eeuw, tot aan de slag bij Poitiers in 732.

Well over 4,000 pages ... Developed by I Corps Foreign Language Training Center Fort Lewis, WA For the Special Operations Forces Language Office United States Special Operations Command LANGUAGE TRAINING The ability to speak a foreign language is a core unconventional warfare skill and is being incorporated throughout all phases of the qualification course.

The students will receive their language assignment after the selection phase where they will receive a language starter kit that allows them to begin language training while waiting to return to Fort Bragg for Phase II. The 3rd Bn, 1st SWTG (A) is responsible for all language training at the USAJFKSWCS. The Special Operations Language Training (SOLT) is primarily a performance-oriented language course. Students are trained in one of ten core languages with enduring regional application and must show proficiency in speaking, listening and reading. A student receives language training throughout the Pipeline. In Phase IV, students attend an 8 or 14 week language blitz depending upon the language they are slotted in. The general purpose of the course is to provide each student with the ability to communicate in a foreign language. For successful completion of the course, the student must achieve at least a 1/1/1 or higher on the Defense Language Proficiency Test in two of the three graded areas; speaking, listening and reading. Table of Contents Introduction Introduction Lesson 1 People and Geography Lesson 2 Living and Working Lesson 3 Numbers, Dates, and Time Lesson 4 Daily Activities Lesson 5 Meeting the Family Lesson 6 Around Town Lesson 7 Shopping Lesson 8 Eating Out Lesson 9 Customs, and Courtesies in the Home Lesson 10 Around the House Lesson 11 Weather and Climate Lesson 12 Personal Appearance Lesson 13 Transportation Lesson 14 Travel Lesson 15 At School Lesson 16 Recreation and Leisure Lesson 17 Health and the Human Body Lesson 18 Political and International Topics in the News Lesson 19 The Military Lesson 20 Holidays and Traditions

"Al-Asas" for Teaching Arabic for Non-Native Speakers of different nationalities uses modern and advanced educational techniques to provide students with a core understanding of the Arabic language and its proper usage. The series consists of three volumes that guide students from one level to the next in a gradual and logical fashion. The series is unique in that it introduces grammatical issues from a functional angle. Volume III: The intermediate level consists of 23 lessons that revolve around Arab culture, key historic cities, and past civilizations. It has six appendices and comes with an audio MP3 CD (3 hours).

"... Introduces the language of newspapers, magazines, and Internet news sites to intermediate- and advanced-level students of Modern Standard Arabic. Using this coursebook, students will be able to master core vocabulary and structures typical of front-page news, recognize various methods of coverage, distinguish fact from opinion, detect bias, and read critically in Arabic. The book enables students to read extended texts with greater accuracy and speed by focusing on the relationships among meaning, linguistic form, and discourse markers. Activities include pre-reading discussions as well as extensive practice on vocabulary use in context, organizing information, skimming, scanning, critical reading, and analyzing content."

Beredeneerde inleiding tot begrippen en deeltheorieën van de generatieve grammatica.

This Arabic language textbook program uses a communicative, proficiency-oriented approach with fully integrated audio-visual media to teach modern Arabic as a living language. Intended primarily for college and graduate students but accessible enough for anyone interested in learning modern Arabic, the series focuses on developing skills in standard Arabic and gradually introducing students to the most widely spoken dialect in the Arabic-speaking world. Newly packaged with a set of three audio CDs, Alif Baa, Introduction to Arabic Letters and Sounds is the first part of the Al-Kitaab language program. In teaching the sounds and letters of Arabic, Alif Baa provides a variety of exercises aimed at developing all skills: reading, listening, writing, speaking, and cultural understanding. Along with an English-Arabic glossary, Alif Baa lays the groundwork for the rest of the Al-Kitaab language program.

Overzicht van de oorsprong en ontwikkeling van de menselijke taal.

"Vermiste meisjes" is het thrillerdebuut van YA-auteur Megan Miranda. Ruth Ware ('In een donker donker bos') schreef over dit boek: "Het verleden van een klein stadje wordt blootgelegd in deze thriller vol verdachtmakingen, bedreigingen en verwarrende motieven. Een aangrijpend boek! I Loved it." Nicolette (Nic voor vrienden) is terug in Cooley Ridge om voor haar hulpbehoevende vader te zorgen. Tien jaar daarvoor is ze naar Philadelphia vertrokken, niet lang na de verdwijning van haar beste vriendin Corinne. Die verdwijning is nooit opgelost. Nu, slechts een paar dagen na haar aankomst, verdwijnt er opnieuw een meisje. Deze zaak rijt de wonden rondom de vermissing van Corinne open. Alle mensen die indertijd met de zaak te maken hadden, wonen nog steeds in Cooley Ridge. Nic's hoer en zijn vrouw verwachten een kind. Corinne's toenmalige vriend werkt in de lokale kroeg. En Tyler, Nic's ex-vriend, is aan het daten met Annaleise. Annaleise, die ieders alibi was voor de nacht waarin Corinne verdween. Maar nu is het juist zij die verdwenen is... Nie ontferkt de gemeinen die haar familie en vrienden verbergen en langzaam wordt duidelijk wat er tien jaar geleden daadwerkelijk gebeurd is. "Duister, nostalgisch en een ingenieuze manier van vertellen. Megan Miranda is een aanwinst voor de thrillerwereld." Booklist Voor fans van Clare Mackintosh en Alex Marwood.

Stek verkorte bewerking van het bekende sprookje. Met veel gekleurde tekenfilmbeelden. Vanaf ca. 5 jaar.
