Four members of a team making a geological survey for a mining company find themselves trapped deep in a forest when they are delayed by heavy rains. Can Leon successfully lead them to safety?

This volume presents 16 essays by friends and colleagues celebrating Gisela Hermann-Brennecke's 60th birthday. Since the early 1970s, when she emerged as one of the outstanding German specialists in language acquisition and language teaching, she has been active in research and teaching at various German universities and abroad. The wide range of Gisela Hermann-Brennecke's research interests and publications - transcending boundaries - is mirrored in the diversity of the contributions in this volume: language learning and language policy - studies in English, American, and Postcolonial literatures and cultures - creative writing.
