

Manual Ferguson Tea20

Publication no. 819 135 M1. Covers tractors type TE-A20, TE-D20, TE-H20 and TE-F20. TEA20, TED20, TEH20 and TEF20.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

A rich, sultry, ambitious novel about a young American writer/curator, fleeing a crumbling marriage in New York who travels with her nine-year old daughter to one of the remote islands in the north of Scotland, birthplace of her grandfather. Commissioned to set up a museum there and to write the biography of the island's celebrated poet and chronicler, Mhairi MacIver is slowly drawn in by the complicated life she is uncovering and writing about--the Bard of Fascaray--as she finds herself being transformed, awakened by the ferocity and power of the island. Who was the celebrated poet, Grigor McWatt, The Bard of Fascaray? What was his past? Details of his life are elusive. As Mhairi struggles to adapt to her island life and put her disappointment and troubles behind her, she begins to unearth the astonishing secret history of the poet, regarded by many as the custodian of Fascaray's--and Scotland's--soul. In McAfee's rich novel of invented island life, she interweaves extracts from Mhairi's journal entries, her discoveries and writings of McWatt, and tales of Fascaray itself into a resonant, compelling, dimensional narrative that at its heart explores identity, love, belonging and the universal quest for home.

Models TE-20, TO-20, TO-30

Dankzij de uitvinding van geld en de daaruit gegroeide wereld van banken, kredieten, obligatiemarkten, verzekeringen etc heeft de mens zich kunnen ontworstelen aan het beperkte boeren- en jagersbestaan. Ferguson betoogt in deze geschiedenis van de invloed van geld op de ontwikkeling van de mensheid, geïllustreerd met vele aansprekende historische voorbeelden, dat armoede en achtergesteldheid vaker een gevolg is van de afwezigheid van financiële instrumenten en infrastructuur dan van uitbuiting. In deze met twee nieuwe hoofdstukken uitgebreide editie gaat Ferguson in op de financiële crisis die in 2008 begon met het faillissement van Lehman Brothers en op de toekomst van de Euro. Daarmee brengt hij zijn gezaghebbende financiële geschiedenis van de wereld weer up-to-date.

Launched in 1958, as the successor to the ubiquitous Ferguson TE20, the Masey-Ferguson 35 was a product of the merger of Massey-Harris and Ferguson. It incorporated numerous improvements and new features and became massively popular worldwide. Its companion, the 65 model, was introduced shortly afterwards and was a larger tractor, offered with the revolutionary Multi Power system that gave 12 forward and four reverse gears. Durable and versatile, these tractors are still a practical proposition today, and even unrestored examples command high prices. Michael Thorne, author of Ferguson TE20 in Detail, continues the story as he describes the development of these models, the production versions and their capabilities, options and extras, conversions, implements and their use today. Outstanding surviving examples are featured in some 80 photographs specially taken for this book, and there are approximately 120 accompanying archive illustrations.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals (July - December)

De debuutroman 'Nog vijf dagen' van Julie Lawson Timmer is perfect voor fans van Jojo Moyes' 'Voor jou' en Lisa Genova's 'Ik mis mezelf'. Mara, een 42-jarige succesvolle advocaat, lijdt aan de ziekte van Huntington – een ongeneeslijke ziekte die haar van de controle over haar lichaam berooft. Over vijf dagen neemt ze afscheid van haar man Tom en dochtertje Lakshmi. Scott en zijn vrouw Laurie nemen over vijf dagen afscheid van hun pleegzoon Curtis, die teruggaat naar zijn biologische moeder die dan vrijkomt uit de gevangenis. Scott en Mara kennen elkaar van een internetforum voor ouders van geadopteerde kinderen, en ze delen een bijzondere vriendschap. Terwijl hun werelden volledig op hun kop staan, proberen ze tegelijk de laatste dagen met hun geliefden zo gewoon mogelijk te houden. 'Nog vijf dagen' is een ontroerende, rauwe roman over afscheid nemen en hoe het is als je de controle over je leven verliest.

One farm. Two worlds. Three generations. Fueled by dreams of a rural idyll, Lorna Sixsmith and her husband swap the 9 to 5 for a return to her family's ancestral farm at Garrendenny. They love the fields and lanes of their corner of Ireland where their black and white herd flourishes, the land where the patterns of their lives echo those of generations of Sixsmiths before them. But a rural existence isn't a heaven on earth. Bad weather, runaway bulls, temperamental farm machinery and cows that refuse to be milked can test anyone's patience. But not for too long – the fields, the animals and the laughter always win out. Warm, witty and wise, Lorna Sixsmith effortlessly mixes family memories, social history and her own hard-won insights into life on the land. Praise for Till the Cows Come Home 'A mesmerising tale of Irish farming ... From top cow Delilah to the stranger at the silage table, the jobs, joys and challenges are skilfully tied together ... Lorna Sixsmith is a natural storyteller in the vein of Alice Taylor.' – ANN FITZGERALD, author of A Year on Our Farm and journalist with Farming Independent 'A strong female farming voice and a vivid sense of a rural childhood ... Drink in rural life for the first time or get lost in pleasant memories. A must-read memoir.' – SHARON THOMPSON, author of The Abandoned
